SIMG Trainee and SIMG Training Supervisor Instructions

This six-monthly Summative Assessment and Clinical Training Summary (SACT) is an important record of the **Trainees' progress and assessment**

The SIMG Trainee and the SIMG Training Supervisor **MUST** meet within the last 2-4 weeks of the training period. It is the responsibility of the SIMG Trainee to ensure that the SIMG Training Supervisor is available to meet with the SIMG Trainee to discuss the SACT prior to submission.

The SIMG Training Supervisor, or their nominee, is responsible for distributing and collecting the Consultant Assessment forms which are the S699433(i)-11.02a.00463(~~B~~c)6(u)
