

RANZCOG Queensland (QLD) State Committee Research Grant Conditions

Purpose

To support research projects undertaken by registered and financial RANZCOG Trainees and early career RANZCOG Fellows resident in Queensland (QLD) and to promote academia as a career pathway.

Eligibility

To be eligible for the RANZCOG QLD State Committee Research Grant, applicants must be registered and financial RANZCOG Trainees, who occupy a prospectively approved training position in QLD or be on approved Research Leave or Extended Leave. Their primary research Supervisor must be based in QLD (i.e., the Supervisor's primary location of employment is in QLD). OR Applicants must be RANZCOG Fellows of less than five (5) years' standing at the closing date of applications. For the purpose of this Grant, the current primary location of employment for Fellows must be in QLD.

Additionally, all applicants must:

- reside in QLD.
- undertake their research study in a hospital, university department or research institute in QLD.
- have not been awarded another Grant for the research project that is

RANZCOG Queensland (QLD) State Committee Research Grant Conditions

Award of the Grant is conditional on the application and research project being deemed to be of sufficient quality for funding. If no applications are received or that applications are deemed to be

*Applicants with career disruption should not be disadvantaged when determining their eligibility to apply for RANZCOG Women's Health Foundation grants. During peer review significant career disruption of applicants will be considered in terms of years since they received their Masters or PhD. For such grants, the five (5) year limit post Masters or PhD may be extended commensurate with the period of the career disruption.
